o henry
and saki
will not only give you a taste of their contemporary societies and cultures but also take you on an adventure of a lifetime
their extraordinary stories are a mixture of tragedy and humorous satire irony and the macabre in which the stupidities and hypocrisy of conventional society are viciously pilloried
you will meet the common folks who love to spend evenings in the company of girls and you will also meet couples from humble origins working hard to repay a debt which was wrongly assumed in the first place
you can run into love seeking you in some stories and destiny waiting to change the course of lives in others the heady mix of humour satire and drama makes these stories an essential cocktail of emotions

brings together 28 lively and readable stories many of which are re published here for the first time since their original appearance
includes fiction by maria edgeworth
mary shelley
elizabeth gaskell
and margaret oliphant

essay from the year 2020 in the subject literature asia language english abstract this paper deals with four major short stories of ruskin bond where railway station is the setting and bond attempts to build private relations in public atmosphere i have not specifically dealt with space theory but certain concepts like auge s idea of non place tuan s meaning of existence and the relation between man and environment which were necessary while justifying the tendency of the author to transform the railway station into a private place for expressing his character s personal desires the bond of human relationships emphasizes bond s understanding of the human mentality nature thoughts and behaviour bond s stories display human feelings like affection care kind heartedness insecurities sorrow and disgust as his art is often referred to as autobiographical his characters are real and we can find them in our neighbourhood the incomparable way in which he alters the unexciting dull things in our everybody life into something really striking and interesting fascinate not only the common reader but also the literary world travelling and communication with masses is equally important for humanity which makes one socially upgraded and sometimes may give birth to inventive artists like ruskin bond

provides a clear introduction to the key terms and frameworks in cognitive poetics and stylistics

the longest of the stories in this book is short and the shortest is just one sentence long which means there are lots of stories a whole bookful to make you think laugh shiver and think again

if you can t decide which new novel or nonfiction book to pick up here s another idea try reading a short story collection rather than focus on a singular narrative these unique options weave together the voices of several writers or focus on multiple stories by an author you know and love short stories are tiny windows into other worlds and other minds and other dreams they are journeys you can make to the far side of the universe and still be back in time for dinner
